

ARCHITECTURE

Pre-Architecture AAS Degree Appropriate for students who plan to transfer to professional architecture programs. Program requirements vary consult with architecture faculty advisor for elective selections and variations to the pattern shown below. Many architecture courses are offered once a year. Courses marked with “*” may have honors sections available. Students starting in the spring have often taken classes that may or may not apply to this degree therefore it is important that they meet with an Architecture Faculty Advisor. Students starting in the spring may need additional semesters to complete required general education classes. Students who have already completed the general education classes shown below should consult with an Architecture Faculty Advisor to determine appropriate alternatives. In addition to the courses shown below the student must take math, each transfer school has a specific math requirement, typically Math 1432-Trigonometry or Math 2231-Callculus 1 are required for transfer.

	Course #	Course Name	Credits
FIRST YEAR			
Spring Semester			
	Arch 1100	Introduction to Architecture	3
	Arch 1121	Architectural Design Communication	4
Elective	Eng 1102*	English Composition II <i>required for all transfers</i>	3
	Arch 1111	Building Materials <i>prerequisite Arch 1101, 1130, or 1121 or consent of instructor with drafting background</i>	4
		TOTAL	14
Summer Semester			
	Arch 1131	Introduction to Architectural Design	4
	Arch 1211	Basic CAD-AutoCAD	3
		TOTAL	7
SECOND YEAR			
Fall Semester			
	Arch 2201	Architectural Design I	5
	Arch 2250	Architectural Presentation & Portfolio	3
	Phys 1201	General Physics	5
Elective	Arch 2230	Structural Systems <i>required for transfer to IIT, UWM or UIUC</i>	3
		TOTAL	16
Spring Semester			
	Arch 2202	Architectural Design II	5
	Arch 2203	Introduction to Architectural Theory	3
Social & Behavioral	Anthro 1000 or 1100	Introduction to Anthropology or Cultural Anthropology <i>required for transfer to UIUC and UWM</i>	3
	Arch 1101	Basic Architectural Drafting <i>required for transfer to UWM, SIU or UIUC can be taken at any time</i>	3
	Arch 2220	Architectural Modeling	2
		TOTAL	16
		Total Degree Credit Hours	67
