All steps below **MUST** be completed by 10/25/19

1. Step 1: Health Requirements—**Begin this step NOW.**

Please read the Health Requirements Packet. You have two options for completing your health requirements. You can use your **own Healthcare Provider** or choose **Edward Corporate Health (ECH)**. (You are encouraged to use your own healthcare provider so that you can use insurance. ECH does not accept insurance). The link to the Health Requirements Packet is located on the EMT website. Go to the COD homepage and choose “Academics”/ “Programs of Study”/ “Health Sciences” / “EMT” / “Health Requirement Packet”. Please also refer to <https://youtu.be/ET5G99RYu5c> for detailed instructions.

NOTE: Please **start** your health requirements **as soon as possible**, as you must have immune titers for Hep B, MMR & Varicella. Proof of the vaccine series will **not** be acceptable. Summary:
