Catalog Description:
The Physical Therapist Assistant degree prepares students to provide skilled direct patient care under the direction and supervision of a licensed physical therapist. Students will acquire the skills necessary to help alleviate pain, improve strength and mobility, and facilitate patients' attainment of maximum function. Physical therapist assistants are employed in a variety of settings including hospitals, rehabilitation centers, long-term care facilities, sports medicine clinics and home health care agencies. Upon successful completion of the program, students are eligible to take the Physical Therapist Assistant (PTA) licensure exam. Upon passing the PTA licensure exam, the graduate can practice as a Physical Therapist Assistant. The Physical Therapist Assistant program is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE). The Physical Therapist Assistant degree requires a minimum of 67.5 credits in program requirements and general education in the courses listed below.
