<p><b>Electives</b> – DeVry University's BSBA program requires at least 9 semester credit hours of electives. Through academic advising, electives are chosen from courses substantially different from those used to meet any other graduation requirements. They may be selected from courses listed in the DeVry University academic catalog, provided prerequisites are satisfied. Where noted in the catalog, some elective hours must be used to meet specialized requirements or to satisfy prerequisites for courses in the major/concentration. Qualifying prior college coursework not meeting other program requirements may be applied toward the elective hours.</p>
