HEALTH REQUIREMENTS OVERVIEW

As a student of the College of DuPage (COD) health career programs, the completion of all health requirements is mandatory. Depending upon the program to which you are applying, medical requirements may need to be completed prior to registration or after program admission. Please see the specific program registration or admission packet for detailed information on when to begin completing health requirements, drug tests, CPR, criminal background checks and proof of insurance submission.

Specific health requirements are mandated by the clinical sites and are subject to change based on current medical advice and practices. You have two options for completing the health requirements; you can use your own Healthcare Provider or choose Edward Corporate Health (ECH). ECH has provided College of DuPage students with special pricing. Please note that ECH does not accept personal health insurance.

The background check and drug screen must be completed through the College of DuPage CastleBranch account. CNA students’ background checks will be completed after registering for the course.

College of DuPage has partnered with Edward Corporate Health (ECH) to ensure compliance of students’ medical requirements. Any charges are the student’s responsibility and are due at the time of service. It is recommended that students verify with their insurance provider whether required services are covered by their personal health insurance. It is ultimately the student’s decision where they complete their health requirements. ECH, or provider of your choice, may complete all of the services; however, ECH must complete the required chart review. Please note: College of DuPage will not receive any of your medical records; they are your and your health care provider’s responsibility and property. ECH will provide a clearance form directly to you and College of DuPage.

To access ECH’s services, call the various location(s) (see page 8), identify yourself as a College of DuPage student and discuss what services you need. You must bring all required documentation to ECH for a Chart Review.
HEALTH REQUIREMENTS INFORMATION

YOU ARE ENCOURAGED TO ATTEND AN ADVISING SESSION PRIOR TO STARTING HEALTH REQUIREMENTS TO ENSURE THAT YOU HAVE A CLEAR UNDERSTANDING OF ALL REQUISITE FORMS AND REQUIREMENTS.

The following immunizations are mandated by the clinical site (on-campus & off-campus) and are important for our commitment to public safety including personal safety from exposure to potential disease during clinical work.

<tr>
<td>Physical Examination</td>
<td>A summary of the physical exam performed by your primary care provider (i.e. MD, NP) using the required enclosed form. Your doctor must use the form enclosed on page 9 &amp; 10. You will then bring this form to your ECH Chart Review appointment.</td>
</tr>
<tr>
<td>Flu Vaccine</td>
<td>Vaccine given annually. (The flu vaccine is seasonal and changes every year in the Fall). You must obtain proof of the current flu vaccine. Proof of current vaccination MUST include the following: (1) Student name (2) Clinic name (3) Date administered</td>
</tr>
<tr>
<td>Tetanus/Diphtheria/Pertussis Vaccination (TDAP)</td>
<td>Obtain a one-time dose of TDAP if you have not previously received. Obtain TD boosters every 10 years thereafter.</td>
</tr>
<tr>
<td>QuantiFERON TB Gold Blood Test</td>
<td>Blood test that aids in the detection of <em>Mycobacterium tuberculosis</em>, the bacteria which causes tuberculosis (TB). A positive QuantiFERON-TB Gold result means that the person has been infected with TB bacteria and should be followed by further medical and diagnostic evaluation to determine if the person has latent TB infection or TB disease. <strong>A chest x-ray will be required.</strong></td>

| **Drug Test** – This MUST be done through **CastleBranch**;  
Do NOT begin until instructed to do so | A 10 panel urine drug test will be used to identify the presence. **Please do NOT begin until instructed to do so.** (Refer to specific program instructions for appropriate package code and further details)  
**IMPORTANT NOTE:** ‘Positive’ results for Marijuana will **NOT** be accepted as marijuana is not federally regulated. This means that if you receive a ‘positive’ result for Marijuana, you will **not** be able to move forward in the program as the clinical sites require a ‘clear’ drug test. FYI, marijuana can remain in your system for at least 4-8 weeks. Please note that even if you had a prescription for medical marijuana, it will still not be accepted. This policy is also stated in our Policy for Professional Conduct.  
If you receive a “dilute negative” result, this means that your urine was too diluted to obtain an accurate result and you need to re-pay and take a new drug test. Please be cognizant of how much liquid you drink. It is best to try to schedule the test first thing in the morning when the sample will be most concentrated, if possible. |
| **Medical Document Manager** – This MUST be done through **CastleBranch** | If required by your program, all medical documents must be uploaded to **CastleBranch** once the chart review is complete. Students will have unlimited access to their Medical Documents through graduation and beyond.  
CNA student background checks will be completed at the mandatory orientation.  
(Refer to specific program instructions for appropriate package code and further details) |
| **Background Check**  
**Must** be done through **CastleBranch**; excluding CNA students | Background Checks are completed through **CastleBranch**. **Please do NOT begin until instructed to do so.**  
CNA student background checks will be completed at the mandatory orientation.  
(Refer to specific program instructions for appropriate package code and further details) |
| **CPR Card** | Must be **American Heart Association – BLS for Health Care Providers**. Card must be signed by student. Must be valid through entire length of chosen program.  
(C.N.A. students will complete this requirement during class). |
| **Medical Insurance** | Can be purchased through the college’s insurance carrier. Please visit **Student Health Insurance** website for details.  
Must be comprehensive health insurance and valid through entire length of chosen program. |
HEALTH REQUIREMENTS PRICING

Below is a list of health services and the current fees charged by Edward Corporate Health. Students may also check their local health department, convenient care locations or retail clinic, as they may offer some or all of the services. Students may use their own health care provider for any or all of the services with the exception of the background check and drug screen, which must be completed through CastleBranch. Please note that the cost for the health requirements is the responsibility of the student, and requirements and pricing are subject to change. The Chart Review must be completed by Edward Corporate Health and the student is responsible for the fee. The Medical Document Manager tracking will be completed by CastleBranch and you, as a student, will always have access to your medical records.

****Pricing is determined by Edward Corporate Health and is subject to change without notice****
