**Program Electives .....6**

Select six credits from any 1000- or 2000-level Motion Picture/Television faculty adviser-approved; one suggested course is listed below. (In addition to the courses listed above.)

|                                                       |   |
|-------------------------------------------------------|---|
| Mptv 2333 Motion Graphics and Special Effects II..... | 3 |
|-------------------------------------------------------|---|

**Electives .....3**

Select three credits from any 1000- or 2000-level Motion Picture/Television or general education course. (In addition to the courses listed above.)

**General Education ..... 16 to 19**

(In addition to the courses listed above.)

**Total Credits Required..... 64 to 67**
**AAS DEGREE**

The Motion Picture/Television program specializes in preparing students for employment and/or transfer in the field of broadcast journalism. Students will explore and become proficient in the basics of broadcast journalism and news and talk-show production. This program will teach students techniques in news story gathering, on-camera talent techniques, field production, and studio production. The Digital Broadcast Journalism degree requires a minimum of 64 credits in program requirements, program electives and general education in the courses listed below.

**Field of Study Code: MPTV.AAS.BROADCAST**
**Program Requirements..... 36**

|                                                                 |   |
|-----------------------------------------------------------------|---|
| Mptv 1220 Introduction to Television Studio<br>Production ..... | 3 |

**Program Electives ..... 10**

Select ten credits from any 1000- or 2000-level Mptv or Mcomm course that is not a required course. (In addition to the courses listed above.)

**General Education ..... 18 to 22**

(In addition to the courses listed above.)

**Total Credits Required..... 64 to 68**

**AAS DEGREE**

The Motion Picture/Television program specializes in preparing students for employment and/or transfer in the fields of film, video, television, animation and audio production. Graduates find jobs in industry, education and government, although a knowledge of motion picture or television production is also helpful for those seeking careers in advertising, public relations and other related fields. A hands-on approach to learning is emphasized. Several courses are transfer oriented. This degree program requires a minimum of 64 credits in program requirements, program electives and general education in the courses listed below.
