**Student Services Center (SSC), Room 2221**

www.cod.edu/registration

**General Information:**

- Registration eligibility for new students begins Thursday, April 16. Registration eligibility for returning students is based on the number of Institutional College of DuPage credits earned and begins on Thursday, April 9. This information is available at: myaccess.cod.edu under My Profile.
- Students may view and print their schedule and/or tuition bill on myaccess.cod.edu or by using our mobile app — Chap App.
- You may register online at myaccess.cod.edu or by downloading our mobile app — Chap App. Online and mobile registration options are available 6 a.m. to 2 a.m. seven days a week. - For information regarding late withdrawal appeals, tuition refund appeals and medical withdrawal requests, visit www.cod.edu/registration, email registration@cod.edu or call (630) 942-2377.

**Credit Class Registration Deadline**

Students are encouraged to register early. The deadline for a student to register for a credit course without requiring a Registration Permit for Late Enrollment from the instructor will be the first day of class. This includes 16-Week, 12-Week, 10-Week, 8-Week and 5-Week classes. For example, if the first day of class falls on a Monday, a student may register for this specific class until 11:59 p.m. on that same Monday. If the first day of class is on a Wednesday, a student may register for this specific class until 11:59 p.m. on that same Wednesday. Exceptions to this rule are custom courses or courses with required safety training, licensure, accreditation or mandatory seat hours for legal reasons. Students can visit myaccess.cod.edu to view start and end dates for all credit courses.

**Late Registration**

Students who want to register late for a course after the first day of class must request a Registration Permit for Late Enrollment from the assigned instructor. Issuance of a Registration Permit for Late Enrollment is at the instructor’s discretion. Late registration does not extend the refund period.

**Options to Request a Registration Permit for Late Enrollment:**

1. Students can log into myACCESS and select “Request a Permit” located under the Registration heading. Note: This option is only available until the 10th instructional day of class and it cannot be used to overload a class.
2. Students can locate the instructor’s email address in myACCESS and email the instructor directly to request a permit.

Once a permit is issued, it is the student’s responsibility to immediately register for the class since a Registration Permit for Late Enrollment is only valid for one (1) business day after the issuance date. A $10 late registration fee is charged for each class that requires a Registration Permit for Late Enrollment. Students take full responsibility for making up any missed coursework associated with a late registration. A Registration Permit for Late Enrollment is not issued or valid after the midpoint of a class.

**Waitlist for Closed Classes**

A waitlist is available to students for credit course sections. When a student attempts to register for a class which is full/closed, the student will be notified that a waitlist is available. The student will have the opportunity to be added to the waitlist for only one section per course. If a seat becomes available, the student will be notified via the College of DuPage (dupage.edu) email account and will have until 11:59 p.m. that day to register for the open seat. If the student does not register for the open seat before 11:59 p.m. the same day, the student will be removed from the waitlist and the next student on the waitlist will be notified. If the student misses the opportunity to register and wants to be placed back on the waitlist, the student will be placed at the bottom of the waitlist. The waitlist function will remain active through the late (one-day) registration period for all sessions excluding custom courses or courses with required safety training, licensure, accreditation or mandatory seat hours for legal reasons. Students can either register for a course or waitlisted for one section per course. If the student registers for a different section of the same course, they will be dropped from the waitlisted section.

**Withdrawal Procedure**

The final day for a student to withdraw from any course will be equal to 75 percent of the time for the respective academic session.

**Fall Sessions**

After the deadline, students will be required to appeal for late withdrawal and provide appropriate documentation to the Student Registration Services Office for all requests. Students who are granted approval to withdraw by petition will not be eligible for refunds of tuition or fees and will receive a ‘W’ grade on their transcript. Appeals must be submitted at least one day prior to the last regular class meeting. Students will not be eligible to petition for late withdrawal during the week of final exams. The late withdrawal appeal form can be found online at cod.edu/registration.
Auditing a Class

Intent to audit a credit class must be indicated at the time of registration and the higher audit tuition charge will be assessed. After the class begins, written permission from the instructor is required in order to audit a class and the audit can’t be revoked. Students may not request to audit a class after midterm. The audit grade of “X” is recorded on the student’s permanent academic record. No credit is earned and the audit grade doesn’t affect the student’s grade point average (GPA). No student will be assigned an audit grade for any class unless the above registration procedure is observed.

Refunds are calculated on the number of calendar days in the session. Please visit www.cod.edu/registration/pdf/reg_calendar.pdf for more information.

Payment Policy:

College of DuPage requires all students to enroll in a payment plan or pay their account balance in full at the time of registration. If you have not enrolled in a payment plan, or your account balance is not paid in full at the time of registration, you may be dropped from your classes for the amount owed. See cod.edu/paymentpolicy for more information.

How to Avoid Being Dropped for Non-Payment:

1. Enroll in a Payment Plan.
   - If you are unable to pay your account balance in full at the time of registration, you may opt to spread the payments over the term by enrolling in a payment plan.
   - The earlier you register for classes and enroll in the payment plan, the lower the down payment.
   - See cod.edu/paymentplan for more information.

2. Pay in Full.
   - Online: Pay through the student portal (inside.cod.edu), by selecting “Student Payment Information,” then “Pay in Full.”
   - In-person: Pay at the Cashier’s Office.
   - By Phone: Pay with a cashier via phone at (630) 942-2206.

3. Financial Aid or Military Benefits
   - You need to enroll in a payment plan to hold your registered classes.
   - You may be eligible for the Deferred Payment Plan, where payments are deferred until after funding posts to your account.
