General Requirements for All Associate Degrees

1. Complete at least 96 quarter hours of credit in courses numbered 100 or above (or their equivalent) as specified for each degree.
2. Possess a minimum 2.0 (C) average in the combined grade point of all College of DuPage courses numbered 100 and above and all courses accepted for transfer from other institutions.
3. Complete a minimum of 30 quarter hours of applicable degree credit at College of DuPage with the final 15 hours of credit at the college.
4. Meet the “Constitution” requirement by presenting credit in Political Science 101 or History 256 earned at College of DuPage or earn a satisfactory score on a test on the Constitution of the United States and the Constitution of the State of Illinois, or present a transcript from an Illinois high school or Illinois GED completion program specifically stating that the Constitution requirement has been met. Note: Credit earned in History 256 or Political Science 101 through Credit by Demonstrated Competence program does not satisfy the “Constitution” requirement.
5. File a Petition for a Degree at least two quarters before the anticipated completion date.
6. Satisfy all financial and other specific requirements.
7. Be in good standing at the time final credits for the degree are earned.

Other Considerations for Associate in Arts and Associate in Science Degree Requirements

- Earn no more than 6 quarter hours in Physical Education activity courses.
- Earn no more than 10 credits in History in the Humanities and Social and Behavioral Sciences categories combined. Additional credits in History may be earned as General Elective credit.
- Earn no more than 8 credits in courses numbered 198.
- Complete at least one course from the Human Relations list.
- While optional, a maximum of 15 credits may be earned in courses from subject areas assigned to the Occupational/ Vocational category. Individual courses listed in the Contemporary Life Skills category will be counted as Occupational/Vocational credit if the course is designated with an “O” or will be counted as General Elective credit if the course is designated with a “T”.
- Credits earned in the General Education Core Curriculum may not be earned using a satisfactory/fail grade. A maximum of 20 elective credits may be taken satisfactory/fail.
- Credits earned in the General Education Core Curriculum may be earned through the Advanced Placement Program (AP), the subject examinations of the College Level Examination Program (CLEP) and the College of DuPage Proficiency Through an Instructor Program.
- When students break enrollment for more than four consecutive quarters, they are then subject to the degree requirements as stated in the College of DuPage Catalog that is current at the time of re-entry. Students who are covered under a catalog prior to 1999-2001 should consult with an adviser.

Associate in Arts (AA) and Associate in Science (AS) Degree Requirements

As part of the minimum total of 96 quarter credit hours, each student working toward an associate degree must take a minimum number of credits in the General Education Core Curriculum depending on the type of degree the student is seeking.

**All other courses in these subject areas are assigned to the occupational/technology category.

While optional, a maximum of 15 Occupational/Vocational credits may apply to the A.A. and A.S. degrees. There is no guarantee that Occupational/Vocational courses will transfer to a baccalaureate-granting institution.

### Who Can I Go To For Help?

#### Faculty Advisers

All College of DuPage faculty are advisers. They will help you with scheduling classes, understanding your degree requirements, choosing courses which will transfer to your next school, planning a program of study, and learning about careers in your adviser's field.

There are several ways for you to choose an adviser. You can begin by talking to one of your current teachers, a former teacher, or by stopping by the Counseling, Transfer and Advising Center, Student Resource Center (SRC), 2044, (630) 942-2259, for a faculty adviser referral. Once you are fairly certain about an area of study, a faculty adviser who teaches in that field can assist you. Appointments are made by personal arrangement with the faculty adviser.

#### General Advisers

Advisers are available to provide general advising assistance either on a phone-in, (630) 942-2259, or walk-in basis, SRC 2044. They provide general information about college programs, course selection, resources, policies and procedures. These advisers also provide general transfer planning, placement test interpretation, and assistance with checking your progress toward degree completion.

#### Counselors

Counselors assist students who are undecided about educational or career plans, are in academic difficulty, and/or are having personal problems. Day and evening appointments with counselors are available. Students may stop by SRC2044 or call (630) 942-2259 to make an appointment.

### Illinois Articulation Initiative

College of DuPage is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement that allows transfer of the completed Illinois Transferable General Education Core Curriculum between participating institutions. Completion of the General Education Core Curriculum at any participating college or university in Illinois assures transferring students that lower-division general education requirements for an associate or bachelor's degree have been satisfied. College of DuPage's Associate in Arts and Associate in Science degrees contain the General Education Core Curriculum of the IAI. For a complete list of the Illinois colleges and universities participating in the IAI, check with the Counseling, Transfer and Advising Center, SRC 2044, (630) 942-2259, or the IAI web site at www.itransfer.org.

### Who Can Tell Me if I Have Everything I Need in Order to Graduate?

Although you should receive course planning assistance from an adviser or counselor throughout your studies, the Records office makes the final check on whether you are ready to graduate.

You should petition for graduation at least two quarters before your expected last quarter so the Records office can notify you of any deficiencies early enough to plan the last quarter.

“Petition for Degree or Certificate” forms are available at the Records office, SRC 2015; the Information office, SRC 2046; or Counseling, Transfer and Advising Center, SRC 2044.

You may also order a “Degree Audit,” a computerized degree evaluation of your College of DuPage credit, from the Records office.
