

Supporting the Main Thing - Student Success Department Informational Sessions

How does learning about other areas on campus and how THEY support Student Success help YOU support Student Success?

The better we know the “big picture” and about other departments the better we can meet the needs of our students! We are excited to continue what we started in October 2018 - informational sessions (*open to all COD employees*) about departments at College of DuPage. Attend one or attend all to find out more.

<p><i>“The more questions we can answer the better we are at providing exceptional service.”</i></p>	<p>FEEDBACK FROM OCTOBER PARTICIPANTS</p>	<p><i>“Seeing how they affect students in the overall enrollment picture is really important!”</i></p>
<p><i>“<u>Excellent</u> for connecting departments and hearing more about their piece of the student experience.”</i></p>	<p><i>“Makes me feel increasingly able to help students in a more well-rounded way.”</i></p>
